Call to Action #4:

“We call upon the federal government to enact Aboriginal child-welfare legislation that establishes national standards for Aboriginal child apprehension and custody cases and includes principles that:

- i. Affirm the right of Aboriginal governments to establish and maintain their own child-welfare agencies.
- ii. Require all child-welfare agencies and courts to take the residential school legacy into account in their decision making.
- iii. Establish, as an important priority, a requirement that placements of Aboriginal children into temporary and permanent care be culturally appropriate.”

Retreat-Style

- 5-day retreat; on the land
- **TB** = Art boxes, homecoming; **BC** = birch bark baskets, letting go; **SKN** = talking sticks, water ceremony; **AB** = capotes & drums, fashion show
- I feel like every essence of my being from within has been touched. ... I just feel like I'm taking a lot with me, and I feel like I even grew taller. I know I probably didn't, but I feel taller. **I feel stronger and I feel ready for what I have to face at home.**

A tropical beach scene with a thatched hut on the sand, driftwood, and a boat in the water under a colorful sky. The sky is a mix of blue, purple, and pink, suggesting a sunset or sunrise. The beach is sandy and has some driftwood and a thatched hut. The water is clear and blue. The text "TRINIDAD AND TOBAGO" is overlaid in the center.
