

C2uExpo 2023

CBRCanada Presentations

C2UExpo is CBRCanada's international conference providing leadership and space for both academics and communities to showcase community-campus partnerships that address local and global societal problems. The C2UExpo conference is run bi-annually by a new local host, with backbone support from CBRCanada. C2UExpo 2023: Connected Communities. Collective Change was hosted by Lakehead University in Thunder Bay, Ontario between June 5-8, 2023.

The following presentations were facilitated or presented by one or more members of the CBRCanada Secretariat team and/or Board members during C2UExpo 2023.
